

## GINA WATCHES two bigger kids laughing at Erik.

—What are you doing this year, four eyes?  
The Inseparables surround their friend and  
tell him that he doesn't have to answer people  
who don't know how to treat him with respect.  
Finally, the door to the school opens and  
everyone starts going in. What will happen  
to them this new school year?

**WHAT A RACKET!** Everyone wants to talk at once! Tom tells them to raise their hands and he will let everybody have a chance to talk. Gina suggests making the photocal stage with recycled materials and Lukas says they have to calculate what size it should be. The Inseparables keep tossing out ideas and Tom thinks that he'll be able to do a lot of interesting things with this group.

**IN THE PARK,** Chloe tells them what she thought of the first day.

—Chloe, you look more and more like Gina —says Erik.

Chloe blushes and hopes Leo doesn't see her. Will she be able to read everything she writes in her journal to him someday? The Inseparables say goodbye to each other: a new school year full of moments to share is ahead of them!
