

Moses

An Israeli woman had a son and, to save him, she put him in a basket and let him float down the river. The baby's mother prayed for her son to reach a safe place. The basket ended up in plants on the riverbank. The pharaoh's daughter found him there, and decided to keep him and take care of him as if he were her own. This baby was named Moses.

The Birth

Mary married Joseph, a carpenter.
They travelled together to Bethlehem.
When they arrived, there was no space
anywhere to spend the night. Then Mary
and Joseph met a kind man who said
they could sleep in his stable. Jesus was
born that night.

Jesus and the Children

One day parents took their children to Jesus so he could bless them. The disciples told them to go away and not bother Jesus. When Jesus saw the parents and their children leaving, sad, he scolded his disciples for not letting the children come to Him. Then Jesus blessed each of the children.
