

LOST IN THE CHAOS

There was a power cut this afternoon! All the electrical appliances stopped working: the radio, the computer... We could amuse ourselves with a board game while we wait for the power to come back on. But my room is turned upside-down and I can't find anything!

PUT IT AWAY IF YOU'RE NOT USING IT

Dad turned a torch on and asked me to tidy up. "You see what happens when you leave everything lying around?" My teddy bear had lost an eye and the puzzle four pieces! From today onwards, I'll put things away when I don't need them. That way they'll last longer.

A DRESS FOR THE BOOK

The puppets and the cars go in the wooden box. Clean clothes, neatly folded go in the wardrobe. The dirty ones go in the basket. Oh! A book that's lost its cover! "We'll glue it", suggested Dad, "and we'll cover it with colored paper. It'll be like a dress!"
