

Back to school

John is going to a new school, but he doesn't want to go. He tells his mother that he doesn't know his classmates, his teacher, or his new classroom. Ann, a girl in his class, sees that John is very sad. She meets him outside the school and takes his hand. Ann and John soon become close friends.

Be an early bird

Ann is an early bird and is always first to arrive at school. Peter, however, is often late. Snuggled under his blankets, he has a hard time getting up. Then he thinks of his waiting classmates, and he jumps up!

Learn to be patient

Today the children are learning to work with clay. Peter is making some awesome animals that never break! Laura is not as patient as Peter. She looks upset and just can't get started. Peter sees this and offers to help her. Now she's happy with the clay figure she's making.
