

If you climb the highest mountain until you
almost touch the sky with your hand,

if you stretch your arms as high as you can,
God is much, much higher!

If you close your eyes and you imagine the earth,
the moon, the sun, the planets, the stars

and everything there is in the space, you
begin to see how great God is.

If you look at the grass under
your feet, Once again God is
there. God knows and takes
care of all the little things.
