

Do you have a secret?
Is it a good secret or a bad secret?

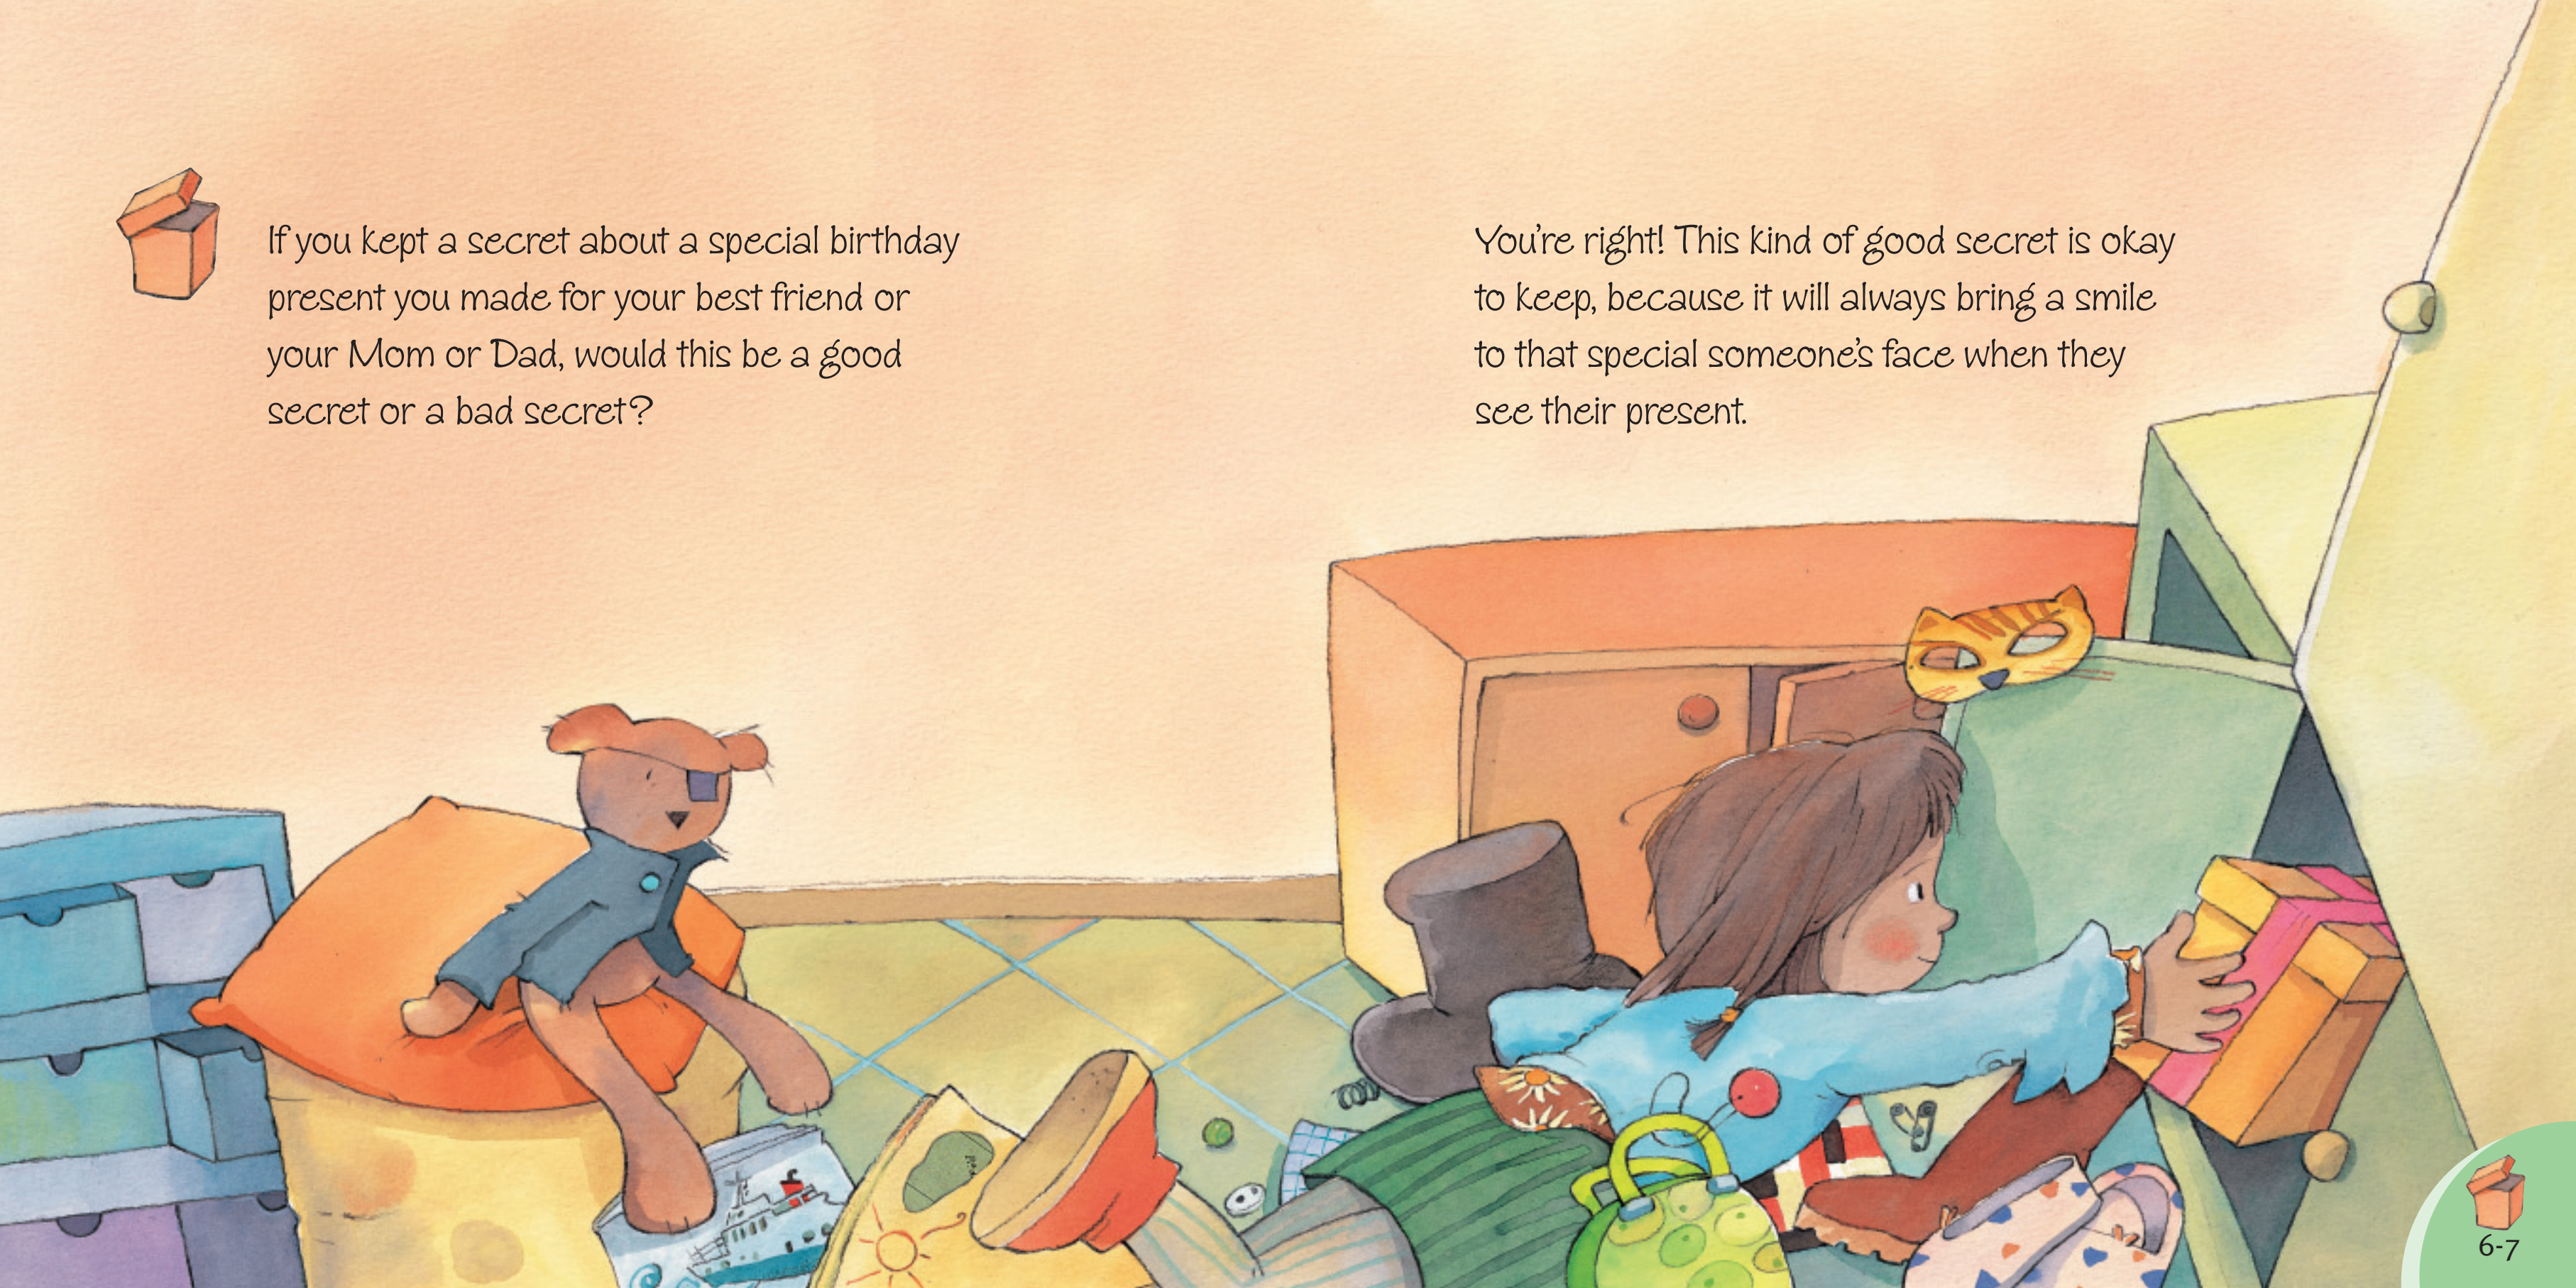

Did you know that good secrets are things that can make
you and somebody else very happy?
Can you think of a good secret?

If you kept a secret about a special birthday present you made for your best friend or your Mom or Dad, would this be a good secret or a bad secret?

You're right! This kind of good secret is okay to keep, because it will always bring a smile to that special someone's face when they see their present.

Just imagine the look on their faces when you yell
"SURPRISE!"

Can you think of a good secret that
is fun to keep?

Keeping a secret about your brother
or sister's surprise party can be so much fun!
