

But a neighborhood is more than the houses you see
or the school down the street; it's the people!
And in my neighborhood there are a lot of people
who do things that make a difference and make
my neighborhood special.

Miss Janet, Mr. Brown and Mrs. Finn are just a few people in my neighborhood who make it special. And the more I think about it, there are a lot of other people too! It seems like everybody does something to make my neighborhood a better place; everybody except me that is!

If Peppy hadn't kept stopping to smell the litter that was all around my neighborhood, I would never have noticed the papers, the empty pop cans and a whole bunch of other stuff littering the streets. My neighborhood needed to be cleaned up!
