

# Cross stitch

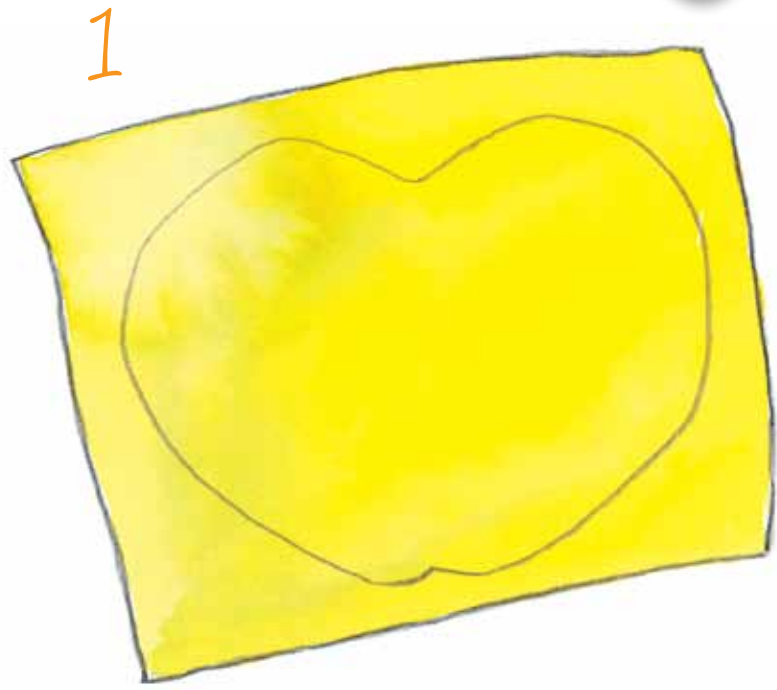

# Chain stitch

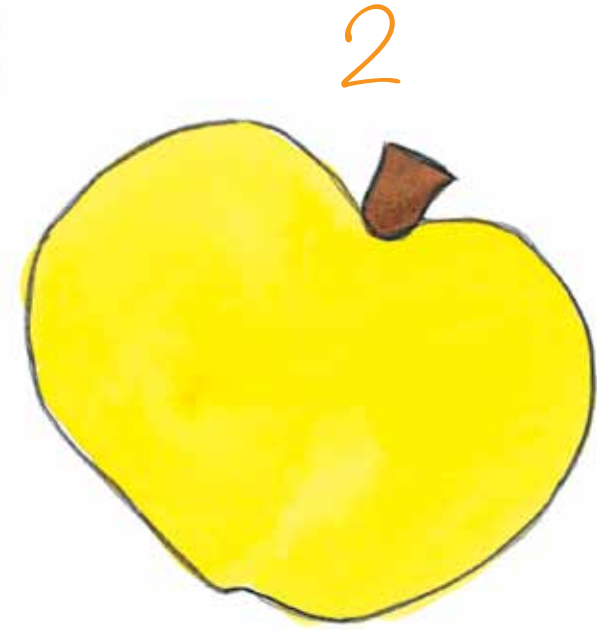

# Blanket stitch

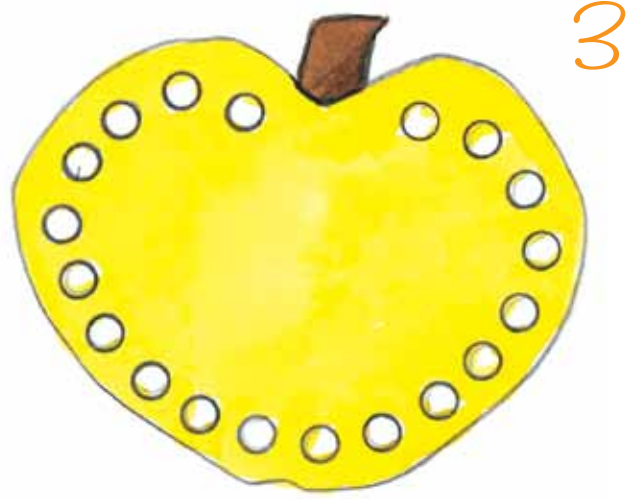

**1.** Trace the outline of the apple (page 92) onto felt and cut it out.

# The crawling ladybug

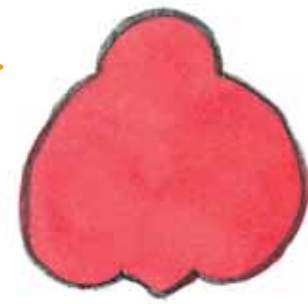

**2.** Make the stem with a little piece of brown felt.

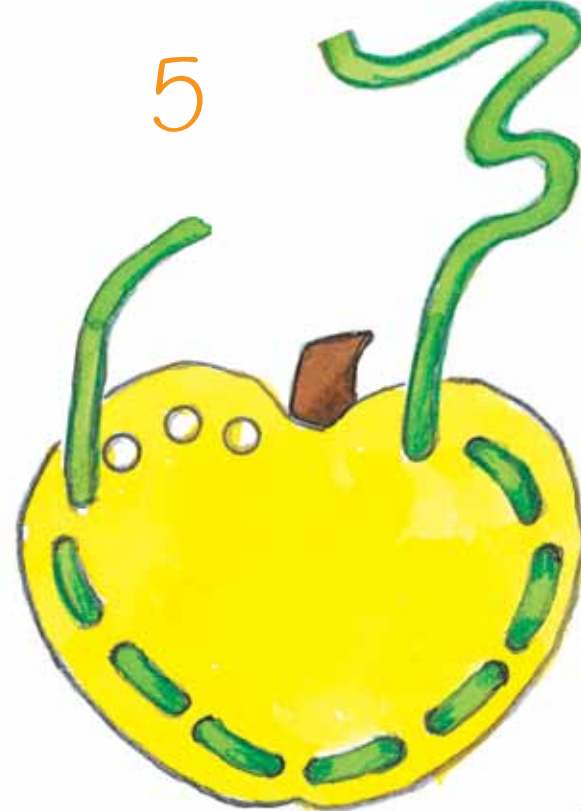

**3.** Make holes around the apple using a hole punch.

4

**4.** Copy the ladybug pattern. Color it using a black marker. Glue two antennae onto it.

5

**5.** Glue the ladybug onto one end of a ribbon and thread the ribbon through the holes in the apple.

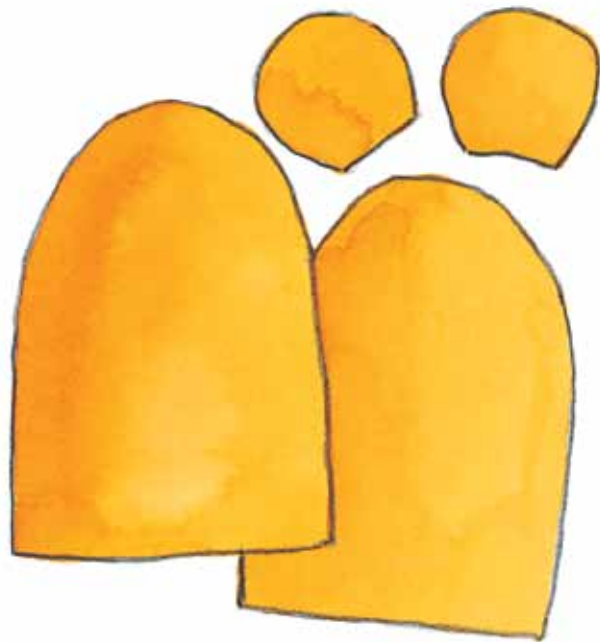

# A bear finger puppet

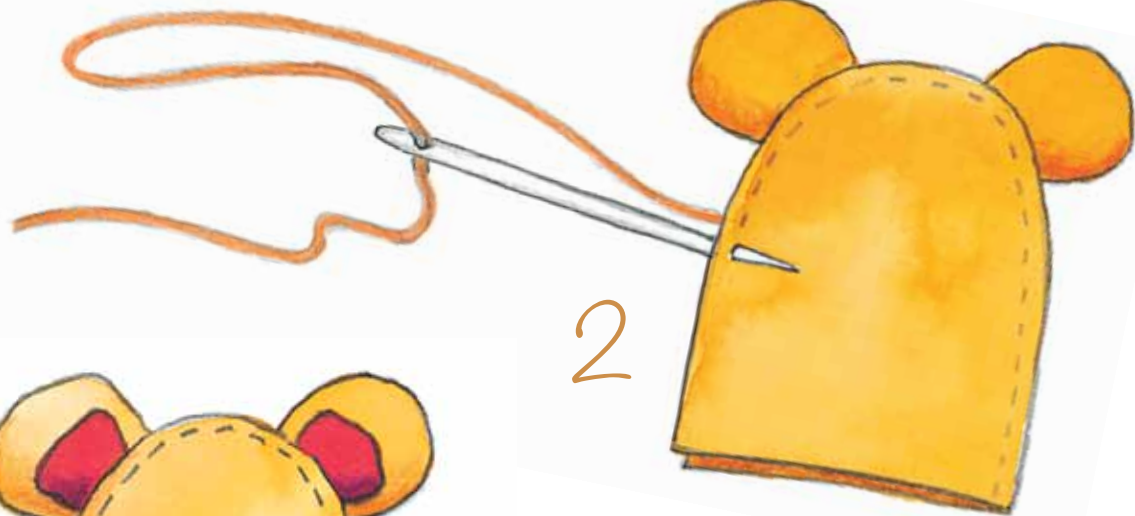

50

1. Cut out the patterns (page 93).

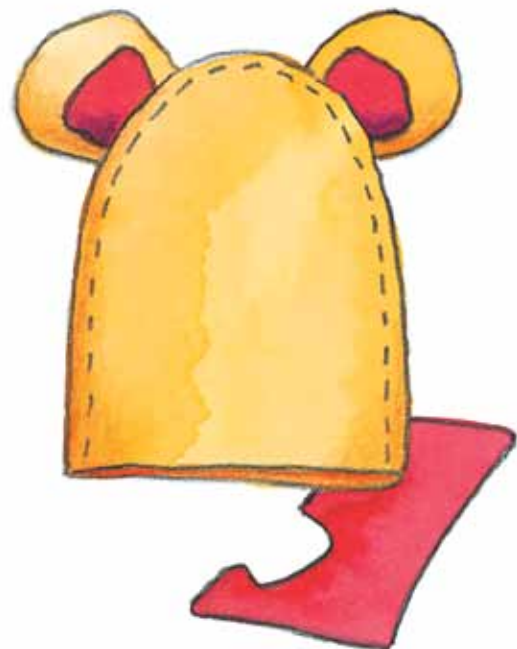

1

2. Sew around the outside but leave the bottom open. Don't forget the ears!

2

3

3. Make the inside of the ears from pink felt.

4

4. Make the nose from light pink fabric and glue it on.

5. Cut out a smaller brown circle and glue it onto the end of the nose.

5

6. Glue on a pair of crazy googly eyes.

6

When you know how to make the ears and noses, you're ready to make all sorts of critters!
